## Lance Scout - One Drum Teachings

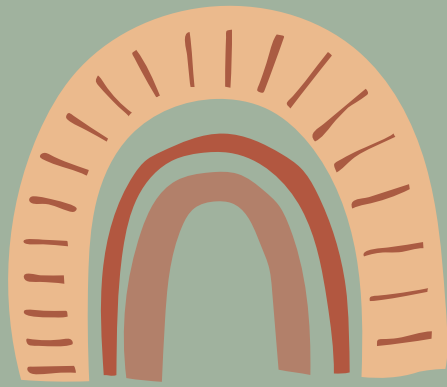

We are delighted to have Elder Lance Scout join us at our school for our last One Drum teaching! Lance is a member of Kainai Nation, with strong connections to the Blackfoot Confederacy.

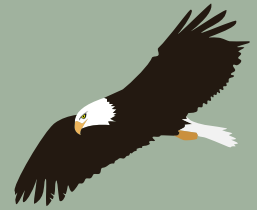

Our last teaching centers on Acting Outwardly with the guiding questions of 'What am I willing to give? What is in it for me?'

Indigenous Ways of Knowing are explored and embraced in this project which highlights the worldviews and understandings of Indigenous peoples on Turtle Island. Students gain an understanding of their own lived experiences through self-exploratory discussions and creative, practical, and collaborative assignments that reflect the student's heritage. Taught in a traditional circle space reflecting the earth, stars, moons, and our life cycle, promoting equality and belonging.

# WELCOME TO McMAN

## Who is McMan?

Since opening its first program in 1975 McMan Youth, Family and Community Services Association set out to be different. While operating its first group home, McMan's founders provided care in the context of supportive and understanding relationships. The home and everyone in it was encouraged to live by the guiding values of trust, security, giving and acceptance. Today, this framework still exists and is what sets us apart. It is a winning combination to foster learning in a positive environment and these conditions are ideal for people to realize their potential, and also thrive.

Over the last four decades, McMan has grown and evolved into a dynamic not-for-profit social service agency providing a comprehensive range of programs across Alberta. Earning a sound reputation from success stories and positive relationships, McMan has become well known for being a responsive, highly competent and innovative partner in service delivery. A diverse range of programs and services are accessible through local offices across Alberta to anyone who needs help. We believe that help from someone who cares should never be out of reach.
