A note from the principal:

Dear Centennial Families,

It's been a wonderful year filled with growth, learning, and laughter. Thank you for sharing your children with us and allowing us to be partners with you. I hope you feel that we have created a safe environment for your children—a space where they can feel valued and supported.

As our year comes to a close, we are sad to say goodbye to some very valued staff members:

Ms. Heichert, Ms. Hardy, and Ms. Dewald will be returning to school to further their education. We hope to see them again at Centennial School.

Mrs. Portas is leaving to go back to Saskatchewan to teach. We wish her safe travels.

Mrs. Pohl is retiring. She has worked as an educational assistant at Centennial School for eight years and for WRPS for over 11 years. We wish her a happy retirement and much joy with her grandchildren.

Mr. Norman has worked at Centennial School, teaching grade four for 17 years. He will be moving to Norwood School and we wish him all the best.

Mr. Durston has worked at Centennial School for 24 years, teaching grades four, one, and five. He is moving to Queen Elizabeth School, and many of our students will get to see him again when they move on to junior high.

Goodbyes are always hard; we will miss these staff members very much.

As we look ahead to the upcoming year, we will continue to foster a nurturing environment with a strong emphasis on respect, kindness, and collaboration where students can thrive academically, socially, and emotionally.

Have a relaxing summer. I look forward to reconnecting with the students in the fall.

Warm regards,

Mary Lynn Kary
