Dear Centennial Families,

We've had a fantastic start to the school year. Seeing our school community come together with such enthusiasm and energy has been a joy. Last week's first assembly was a fun way for our school family to celebrate a month's worth of learning.

Our students have settled into their routines, new friendships have been formed, and learning is in full swing. Thank you, parents and guardians, for your continued support and partnership. Your involvement is not just appreciated but also **vital** to your child's success. We truly value the trust you place in us each day.

I also want to thank our dedicated staff and teachers. Their passion for education, patience, and innovation have set the tone for a productive and welcoming environment where students feel supported and encouraged to do their best.

As we move forward into the rest of the year, I encourage everyone to ask questions, stay connected to your child's teacher, and continue being an active part of our Centennial Family. Together, we will make this year one of growth, achievement, and memorable experiences.

Warm regards,
