

CENTENNIAL SCHOOL

November News

Dear Parents and Guardians,

Thank you for a wonderful start to the year and an outstanding first quarter. October was a busy month filled with Thanksgiving and Halloween activities and learning about Bus Safety and Fire Prevention. We celebrated Centennial students enrolled in the Wetaskiwin Hockey Academy by watching their game at the Co-op Place Arena. Centennial School partnered with Hope Mission to provide the Horses of Hope Program to twelve students in grades 5 and 6. This program uses horses and horsemanship skills to empower and develop students' abilities to regulate their emotions, overcome obstacles, develop healthy relationships, and learn important life values like forgiveness, encouraging others, and knowing personal values.

In October, Students learned about the Seven Sacred Teachings, also known as the Teachings of the Seven Grandfathers. For the month of October, we focused on Humility (Wolf), and for November, we will focus on Respect (Buffalo).

On November 8, 2024, at 10:45 a.m., students will participate in a Remembrance Day Ceremony honouring veterans. November 8 is also Indigenous Veterans Day. Be sure to check PowerSchool for updated Quarter One marks after our **Fall Break November 11 - 15**.

I look forward to seeing everyone during the **Parent/Teacher Conferences on Nov. 27 and 28**.

Warm Regards,

McKary

Attendance Matters

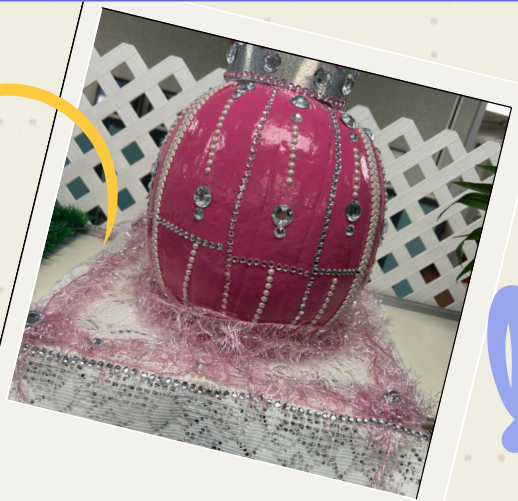

Did you know students who attend school regularly have better grades and feel more connected?

School Mission

Centennial School is committed to achieving academic excellence in a safe, caring, and friendly environment. Students will develop to their maximum potential by Centennial School, including parents as partners, having skilled and enthusiastic staff, utilizing technology to enhance learning, and respecting the dignity, worth, and needs of individual students.

Spooky Halloween Fun

Remembrance Day
Assembly
Friday, Nov. 8TH
10:45 am

Parents Welcome

Code Talkers

Did you know that during the Second World War, "Indigenous Men like Charles "Checker" Tomkins of Alberta translated sensitive radio messages into Cree so they could not be understood if they were intercepted by the enemy? Another Cree-speaking "code talker" would then translate the received messages back into English so they could be understood by the intended recipients."

INSIDE OUT DAY

WEAR YOUR CLOTHES INSIDE OUT
