

# CENTENNIAL SCHOOL

## January News

Dear Centennial Families,

Happy New Year and welcome back to school! I hope this message finds you refreshed and ready for the exciting journey ahead in 2025. Whether your break was filled with adventures, relaxation, or cherished time with loved ones, we are eager to welcome students back into the classroom.

**To ensure a smooth and successful transition back, please keep these reminders in mind:**

- **Routines Are Key:** Reestablishing bedtime and morning routines will help your child feel confident and prepared. Remember to add in time to read aloud to your child or set aside time for them to read quietly to themselves.
- **Attendance Matters:** Please help your child arrive on time and ready to learn each day.
- **Stay Informed:** Be sure to check your emails and PowerSchool for updates on upcoming events, important announcements and Permission Forms for field trips.
- **Winter Weather:** Remember to dress your child appropriately for the season, including warm coats, hats, and gloves for outdoor activities.

There have been a few changes to our class configurations for the remainder of the school year. Kindergarten students now have the option to attend school FIVE days a week because they have been combined with part of Mrs. Olson's Grade One class. She will be teaching K-1 and Mrs. Bushell will be teaching some of the grade one students in her combined Gr. 1 - 2 class.

We look forward to welcoming Elder Ester Wildcat, who will share her knowledge and teach Cree language about twice a month for the remainder of the year. Thank you to our Parent Advisory Council, which is helping to support this endeavor.

We appreciate your continued support and partnership in your child's education. If you have any questions or concerns, please don't hesitate to contact me or your child's teacher.

Warm regards and best wishes,

*M. Kary*

2024-2025
